SUPPLEMENTARY INFORMATION FORM (SIF A2) NOTES FOR PRIESTS

Children of Worshipping Members of the Church of England, Church of Wales, The Episcopal Church of Scotland and Methodist Church of Great Britain

In completing the form only provide information for **your** church and to your certain knowledge. Please do not simply pass on information provided by the applicant. It is the applicant's responsibility to provide additional support forms from any other church at which they may have worshipped.

If the frequency of worship is variable over the period covered, please provide further information in the other comments relating to parent/carer's pattern of worship box overleaf.

If you have not been in post for the whole period covered, please state how you are able to verify the information.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.
